The MIM130 produces up to 135 pounds of ice per day and includes a self-contained 35 pound storage bin. Stainless steel construction provides durability to a unit that is low-maintenance and easy to clean. The unit produces crystal clear bullet shaped ice cubes that work great for applications in homes, restaurants, bars, hotels, grocery stores, and more. Suitable for freestanding or built in applications, this unit will run on standard household electrical current and is NSF and UL approved for commercial use.

Maxx Ice's continuing commitment to quality products may mean a change in specification or pricing without notice.
