

Durable Design

- Stainless steel interior & exterior
- 3 height adjustable, heavy-duty, PE coated wire shelves per section
- LED interior lighting
- Digital temperature display
- Door locks with keys
- Simple plug-in installation

Superior Quality

- Designed for mobility, reliability & efficiency in commercial kitchens
- Certified with ETL & Energy Star** guaranteeing quality standards and energy efficiency
- 4" heavy duty, locking front casters
- Easy grip handle
- Entirely self-contained system
- Automatic defrost system
- Digitally controlled temperature system
- Accommodates full-size bun sheet pans
- Easily adjustable shelf height
- Internal storage capacity is 72 cu. ft.
- Holding temperature: Refrigerator 33°F to 39°F / Freezer 5°F to -9.4°F

Energy Efficient

- Self-closing door with stay open feature
- Seals tight with magnetic vinyl gasket
- Open door alert beeps when door is open for 3 minutes
- Foamed-in place high-density polyurethane insulated body, CFC-Free
- Large evaporator & condenser for quick cooling and greater efficiency

Triple Door Series Refrigerator & Freezer Bottom Mount Compressor KBSR-3 / KBSF-3
